To begin her exclusive recording contract with Deutsche Grammophon, the superlative *sitarist* **Anoushka Shankar** enlisted top players from India and Spain to record *Traveler*, promptly breaking new ground between South Asian classical and Spanish dance music - as befits the innovative legacy of her father and mentor, the great **Pandit Ravi Shankar**.

At **Page Auditorium**, with traditional instruments from India and Spain, Shankar`s ensemble condenses Gypsy music`s thousand-year migration from India to Europe into one exceptional evening, where Andalusian flamencos and Carnatic Ragas merge seamlessly. Sophisticated and original, *Flamenco Journey* reveals a missing link between Zakir Hussain and Flamenco Vivo Carlota Santana in this “**Flamenco Journey**”.
